

LEGAL DISCLAIMER & TERMS OF USE

OOMPH COIN ECOSYSTEM

Effective Date: 19th August 2024

Last Updated: 19th August 2024

This Legal Disclaimer applies to Oomph Coin and the Oomph Coin Ecosystem ("OCE" or "\$OOMPH"), including its creators, developers, and associated entities. By using, acquiring, or transacting with Oomph Coin, you acknowledge and agree to the following terms.

1. OOMPH COIN AS A UTILITY TOKEN

Oomph Coin is designed solely for use within the Oomph Coin Ecosystem and serves the following functions:

- Tipping content creators within the ecosystem
- Subscribing to premium creator content
- Engaging in one-on-one and group interactions with creators
- Purchasing and trading creator NFTs

Oomph Coin is not an investment product and does not grant ownership, equity, or voting rights in any entity. It is strictly a utility token for transactions within the Oomph Coin Ecosystem.

Oomph Coin is NOT:

- ✗ A security, stock, or share in any company
 - ✗ A financial instrument guaranteeing returns
 - ✗ A speculative investment vehicle
-

2. NO INVESTMENT OR FINANCIAL ADVICE

Nothing in the Oomph Coin Ecosystem, including its website, whitepaper, or communications, constitutes investment advice, financial guidance, or an endorsement to buy, sell, or hold digital assets.

- Oomph Coin is not marketed as an investment vehicle.
- The creators of Oomph Coin do not provide financial advice or guarantees of value appreciation.
- Users assume full responsibility for any decision to acquire, hold, or trade Oomph Coin.

Users should conduct independent research and consult a financial advisor before engaging in cryptocurrency transactions.

3. RISK DISCLOSURE: VOLATILITY AND LOSS

Cryptocurrencies, including Oomph Coin, are inherently volatile and subject to market fluctuations that may result in significant gains or losses.

- There is no guarantee of value stability, liquidity, or appreciation.
- Users may lose some or all of their holdings due to price changes or market conditions.
- Regulatory changes in certain jurisdictions may impact the availability and use of Oomph Coin.

Users should exercise caution, invest responsibly, and never trade more than they can afford to lose.

4. REGULATORY COMPLIANCE & JURISDICTION

- Oomph Coin is classified as a utility token and is not registered as a security in any jurisdiction.
- Users are responsible for ensuring compliance with their local laws regarding cryptocurrency use.
- The Oomph Coin Ecosystem and its creators do not operate as a financial institution, bank, or money services business (MSB).
- Availability of Oomph Coin may be restricted in certain countries due to local regulations.

Users must verify the legal status of digital assets in their own jurisdiction before acquiring or using Oomph Coin.

5. NO GUARANTEE OF THIRD-PARTY EXCHANGE LISTINGS

Oomph Coin may or may not be listed on cryptocurrency exchanges for trading. However:

- There is no guarantee that any exchange will list or continue listing Oomph Coin.
- The Oomph Coin Ecosystem does not control third-party exchanges and is not responsible for their policies, fees, or liquidity conditions.

Users should exercise caution when engaging in transactions on third-party platforms.

6. SECURITY & USER RESPONSIBILITY

Users are solely responsible for the security of their wallets, private keys, and transaction history.

- The Oomph Coin Ecosystem and its creators do not store or manage user funds.
- Losses due to hacking, phishing, or personal negligence are the user's sole responsibility.
- Never share your private keys or recovery phrases with anyone.

Users are encouraged to use decentralized wallets and enable two-factor authentication (2FA) for added security.

7. LIMITATION OF LIABILITY

By using Oomph Coin, you acknowledge and accept the following:

- The Oomph Coin Ecosystem and its creators are not responsible for financial losses, hacking incidents, smart contract bugs, or incorrect transactions.
- There is no guarantee of future performance, liquidity, or profitability.
- Oomph Coin and its associated ecosystem are provided “as is” without warranties of any kind (express or implied).

All transactions involving Oomph Coin are at the user’s own risk.

8. MODIFICATIONS & UPDATES

This disclaimer may be updated at any time due to regulatory changes, ecosystem developments, or security considerations.

- Users should regularly review this page to stay informed of any updates.
- Continued use of Oomph Coin after any modifications signifies acceptance of the updated terms.

It is the responsibility of users to remain informed about policy changes.

9. CONTACT INFORMATION
